# Tournament Rules and Regulations

Each team shall consist of 3 or 4 players. All members of the team shall hit one tee shot on every hole. The team then selects one tee shot and all players continue to play from that point. This procedure is repeated until the ball is holed out.

Men play from the WHITE tees and women from the RED tees.

## **Number of Tee Shots Required:**

In a team of four players, each player's tee shot must be used at least three (3) times during the 18 holes competition. In a team of three (3) players, each player's tee shot must be used at least four (4) times during the 18 holes of competition.

## **Where to Play From:**

Each team member must play his/her shot from within one club length of the selected shot (6 inches when on the putting green). However, the ball may not be placed closer to the hole. In addition, if the selected tee shot was in the fairway, each member must place his/her ball in the fairway to play the next shot. Likewise, if the selected tee shot was in the rough, bunker, water hazard, fringe, etc., each member of the team must place the ball in and play from, respectively, the rough, bunker, water hazard, fringe, etc. In every instance each team member may place the ball. Team members may rake bunkers between shots. All players may lift and clean the ball.

## **Golf Balls Lost or Out of Bounds:**

We want you to have a great day, and enjoy some fair and healthy competition. In the interest of maintaining a good pace of play, we ask that your team not spend more than 3-4 minutes looking for lost golf balls. If the shot chosen by your team is hit out of bounds, irretrievably hit into a hazard, or otherwise lost, assess your score a one (1) stroke penalty, and play the next shot no more than 2-club lengths from the point of entry, (no closer to the hole).

## **Standard Rules:**

Otherwise the standard rules of golf will apply, as defined by the RCGA. All rules interpretations will be handled and resolved by the Tournament Organizing Committee.

## **Scoring:**

One person on the team will be required to keep score and one score card from each team may be submitted at the end of the 18 holes to the Pro Shop or Golf Course Personnel.

Thank you and have a great round on one of the most beautiful courses in Alberta.

Your Golf Tournament Organizing Committee.

## Welcome to the TCETSA & OETS Networking Golf Tournament.

On behalf of the host organizations Tribal Chiefs Employment & Training Services Association and Oteenow Employment Training Services we would like to take this time to thank you personally for your involvement in our 2nd Annual Networking Golf Tournament.

Our agencies provide funding to individuals seeking assistance to upskill and/or are requesting employment related funding supports. We also assist with, resume writing, mentorship, employment readiness, referrals to employers and ongoing follow-up supports.

The proceed from the Annual Networking Golf Tournament will help our organizations to support additional individuals that come through our doors, especially after going through such a challenging time. Your ongoing support does make a difference in the lives of the individuals that we work with.

Without the sponsors, golfers, volunteers and generous contributors, this event would not have been successful!! We thank you for continuing to be a part of this important fundraiser. We couldn't have done it without any of you.

Sincerely,

*Eva John-Gladue*  
Operations Manager
